

## ATTENTION SCIENCE UNDERGRADS:

Have you considered majoring  
in Molecular Biology &  
Biochemistry?

Come see what MBB has to offer!

### WHAT? MBB Open House

#### WHY?

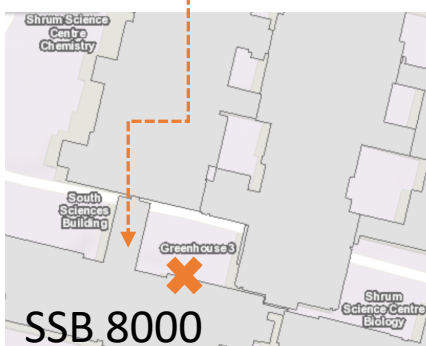

- Free food and refreshments
- Highlights of our most popular courses
- Tours our teaching and research labs
- Hear about our joint majors, research opportunities and careers in the field
- Talk to MBB undergraduates, grad students, famous alumni, and instructors
- Ask questions of the MBB Undergraduate Advisor and the Co-op Advisors

#### WHEN?

Thursday, March 2, 2:30-4:30 PM

#### WHERE?

SSB 8000  
(undergrad lounge)

We hope to see you soon!
