

ATTENTION SCIENCE UNDERGRADS:

Have you considered majoring
in Molecular Biology &
Biochemistry?

Come see what MBB has to offer!

WHAT? MBB Open House

WHY?

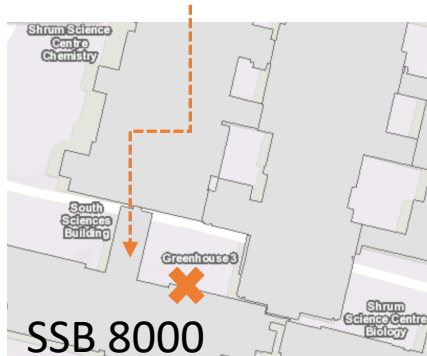

- Free food and refreshments
- Highlights of our most popular courses
- Tours our teaching and research labs
- Hear about our joint majors, research opportunities and careers in the field
- Talk to MBB undergraduates, grad students, famous alumni, and instructors
- Ask questions of the MBB Undergraduate Advisor and the Co-op Advisors

WHEN?

Thursday, March 2, 2:30-4:30 PM

WHERE?

(undergrad lounge)

We hope to see you soon!
